Legion to Present "Dimouts of 1947" As Benefit Play

"The Dimouts of 1947" or "A Replica of The Gay Nineties" is the theme selected by Clyde A. Wright post of American Legion for a dramatic production they will stage in March. Announcement was made Wednesday of some tentative plans for the show by Roy Andresen, publicity chairman. Plan now is to stage the show in the Point Loma high school auditorium March 5, 6 and 7. Producer and director selected for the performance is Clarence Dersch of 2246 Etiwanda who served in a similar capacity for the successful minstrel show sponsored last fall by the Masonic lodge. Committee handling the production will be Robert Dahlheim, business manager; Roy Orrick, assistant business manager; Ralph Chadwick, ticket sales and Henry Voss, treasurer.

Purpose of the show is to raise money for the new Legion clubhouse to be erected on lots belonging to the post in the 5000 block on Muir Ave. All money raised will be applied to the building fund so that construction of the building may begin as soon as possible.

As planned the show will feature vaudeville acts in the theme of the "gay nineties." Local talent is to be used for the most part and Producer Dersch issues a call to all persons interested in taking part in the production to contact him at his home. Already, according to Andresen, several fine acts of professional calibre have consented to take part and Business Manager Dahlheim promises that if present plans materialize, he will have an announcement to make soon of an important addition to the cast.

Try-outs and rehearsals are to begin about Jan. 14. Those interested should contact Director Dersch or one of the committee members for time and place.

The Junior Spotlight Revue over radio station KFMB at 9 a. m. Saturday, Jan. 11, will feature "The Elves and the Shoemaker" written and directed by Donald Freatman of 5066 Del Monte Ave. Also included in the cast are John Sheridan, John Arlotow and Sharon Baleria.

Filling In Point For New Bridge On Bay Started Jan. 7

Work on the filling in of Sunset point in Mission bay on which the Ocean Beach end of the bridge will be located began Tuesday when the Newport Construction company's dredge, Little Aggie, started moving dirt. The city awarded the contract to this firm on its low bid of $124,000. This dredging will result in the creation of Dana basin, reclaiming the marshland in the southeastern part of the bay. Dana basin will be used as a boat anchorage and water sports area, according to the plans announced by Glenn Rick, city planning director.

The other dredge, Dallas, is continuing the work of creating new fills and beaches in the western part of the bay.

Death of Ocean Beach Officer In Crash Confirmed

Mr. and Mrs. R. C. Kimball of 4429 Muir Ave. Wednesday received the sad news by wire that their son, First Lieut. Richard G. Kimball of the Army Air Corps had been killed in an airplane crash in the Philippine Islands. He had been previously reported missing, as announced in the Ocean Beach News several weeks ago, but not until Wednesday did the parents receive official report from the war department at Washington confirming his death. The wire stated that:

"The secretary of war has asked me to express his deep regret that your son, First Lieut. Richard G. Kimball was killed on November 29, 1946, in an airplane crash. He was previously reported missing in flight. I regret the unavoidable and unusual lapse of time in reporting his death."

While the official report did not state where the plane crashed, the father, Mr. Kimball, said Wednesday that he felt sure that the crash was on land, on Leyte island, and not in the sea as had been first believed.

Young Kimball Only Son

Lieut. Kimball was 21 years of age and was the only son of Mr. and Mrs. Kimball. Their other children are two daughters. The officer graduated from Point Loma high school, entered the service in September, 1943 and was sent overseas in August 1945. His plane was based on the island of Guam and he had been engaged in flying missions to prisoners in Japan. His plane was a member of the 4th Emergency Rescue Squadron.

All four of the other members of the crashed plane are believed to have been killed in the accident.

Recreation Center Heating Plant Now Being Installed

The heating plant is now being installed in the new Recreation building at Santa Monica and Ebers, reports Mrs. D. C. Muchmore, executive committee chairman for the center. Also the tile work is being installed in the kitchen, she said.

As for the maple flooring, on which the principal delay is being experienced by Contractor F. E. Young, no indication is yet forthcoming when the material will be here, so the probabilities are that the building will be opened to use without flooring, Mrs. Muchmore indicated. She said there is a good chance that without the flooring the center will be ready for opening in six weeks.

Plans for the dedication were talked over at a meeting of the executive committee held at Masters Food store Wednesday noon.

Silver Spray Pool, Landmark Here, Being Dismantled

$75,000 MODERNIZATION OF SILVER SPRAY HOTEL BEGUN BY ROY RINER

Dismantling of the Silver Spray plunge, an old Ocean Beach landmark, and the launching of a $75,000 modernization building program for the Silver Spray hotel got under way last week, reports Roy Riner, the owner. This historic resort property is located overlooking the ocean between Niagara and Narragansett Avenues.

History of the hotel and plunge dates back to 1918, Riner reported Tuesday, when it was built by Spencer & Dougherty. The first owners, however, had the property but little more than a year and sold to Italia Perrine, who owned and operated the hotel for nearly 20 years. Following his death about eight years ago, Mrs. Mabel Jones operated the business for about two years.

Riner Bought in 1940

Riner, the present owner, bought the property in October, 1940. When the war came and the restrictions were put on, he was obliged to close the plunge largely because of the "dimout" regulations. The pool was used for the last time in September, 1942, and has been closed ever since.

The plunge, which measured 75 by 110 feet, was the leading swimming pool of San Diego for about 15 years, Riner stated, having been the largest in the city for many years. The ocean's salt water was used and was heated by a gas and oil circulating heating system.

Peak of the patronage of the plunge was reached about 1925, according to Riner. About that time, the Mission Beach pool was opened and patronage at the local pool slumped considerably from then on.

The plunge structure being located on city property, in the remodeling and modernization project that he has planned, the former is being entirely dismantled, and the entire space is to be filled with beach sand and turned over to public use as an additional beach for this city.

According to his agreement with the city, Riner is to do the entire improvement at his own expense. He will not only tear down the plunge structure but will fill in the beach sand, build the necessary retaining wall, so the site when completed will be a play-

Former Local Boy Aboard Antarctic Missing Airplane

A former Ocean Beach boy, Aviation Radioman 3rd Class James H. Robbins, was aboard the Navy patrol plane which has been missing since Dec. 30 on an exploration flight in the Antarctic, in connection with the current Byrd expedition. Young Robbins is remembered by many Ocean Beach residents who knew him during the time his family lived at 4354 Montalvo St. He attended Point Loma high school prior to his enlistment in the Navy four years ago.

The Robbins family is now living in Praierieton, Ind. Frank E. Robbins, father of James, is a retired Navy man.

Intensive search of the Antarctic area where the plane disappeared has failed to yield any trace of the missing craft. The plane, a PBM Mariner, took off from the seaplane tender, Pine Island early in the morning of Dec. 30 and failed to return in the afternoon as scheduled. It carried sufficient fuel for only 11 flying hours. The last report from the plane placed its position off the tip of the Demas mountains on Ellsworth Land between Franklin D. Roosevelt Sea and Bellinghausen Sea.

Capt. Cathey Tells Lions of Life With Chinese Guerillas

Comparisons of Chinese ways and customs to our own here in America was the subject of a talk by Capt. T. R. Cathey, USMC, to the Ocean Beach Lions club at Thursday noon's meeting. Capt. Cathey served as plans and training officer for a band of Chinese guerillas behind the Japanese lines during the war. His talk featured the humorous aspect of his experiences with the Chinese and pointed out the close ties of the Chinese with this country. "At first I found many of the Chinese customs odd, even backward, but when I realized that the Chinese civilization is 3000 years old, I felt that we have much to learn," the captain remarked.

The talk was part of a Lions program to become better acquainted with other countries.

Main business conducted at the session was the reading by club Treasurer Jack Zahn of a report of the group's financial condition for the new year.

Guests present for the meeting were Jack Johnson, a former Ocean Beach resident visiting from Oregon, B. J. Brinks of Pacific Beach and F. F. Swan, new president of the Ocean Beach Chamber of Commerce.

Mr. and Mrs. Wayne W. Carlson of 4522 Orchard Ave., announce the arrival of twin girls born on December 14 at Quintard hospital. The babies weighed five pounds and one ounce and six pounds and 14 ounces at birth. They were named Holly and Hope. This will make four children in the Carlson family now since there are two older children, Roxanne, 5, and Lance, 3.

Ocean Beach Girl Plans Cross U. S. Trip on Bicycle

An Ocean Beach teen-ager, Norma Jean Belloff, of 2111 Mendocino Blvd., is currently making headlines by her ambitious bicycle traveling, especially her proposed cross-country trip this summer to her birthplace in New London, Conn. Miss Belloff recently cycled her way from Yellowstone Park to San Francisco and then down the coast to San Diego. Before that she had made a 1000-mile round trip to San Francisco.

Norma Jean, daughter of Mr. and Mrs. Frederick H. Belloff, graduated from Point Loma high school in 1944. She is now employed at the fountain in the National Pharmacy (formerly Schneider's Drug store). Her tentative plans call for leaving for the east this spring, traveling through the southern states, up the Atlantic seaboard to New London and then returning next summer through the north.

Norma Jean is enthusiastic about traveling and plans to write about her experiences. She reports that she averages about 50 miles a day when traveling in level country. A speedy cyclist, she won the Civic Center to Del Mar bicycle race for women last summer during the San Diego county fair.

Local Post Office Sets New Record During December

Ocean Beach postoffice set a new high record for December including Christmas mail during the past month, according to figures provided by H. K. Rankin, superintendent of mails, to the Ocean Beach News this week. The high mark is for outgoing mail, these being the totals computed at the local postoffice. The totals for incoming mail are computed at the down town main postoffice, Supt. Rankin reports.

A total of 25,021 parcels were dispatched from the Ocean Beach postoffice in December 1946, according to the figures submitted by Mr. Rankin. Previous high mark was 21,886 parcels for December 1945. Totaled by mail sacks, there were 1012 sacks of mail sent from the local postoffice during December, as compared with 890 sacks for December of the previous year.

In sale of stamps, the total for December 1946 was $13,640.86, as compared with $13,118.08 for December 1945.

In spite of the greater volume of mail this past Christmas there was considerably less congestion than was the case here the previous year, reports Rankin. "The patrons began their Christmas mailing earlier this time," he said.

Incoming Christmas mail also was handled with considerably more help. Instead of the nine regular carriers the year before this time 13 were at work, one for each of the routes, as well as a large group of extra carriers. The number of routes for postal zone 7 was increased in November from 9 to 13.

QUESTION: Do you think it would be a good idea for the merchants in Ocean Beach to keep their stores open later on Saturday evenings?

"I wouldn't approve of opening on Saturday evening because I do not think the business we would gain would merit the extra help and resulting extra expense. I am in favor of shorter hours for my help whenever possible." — James Marlowe, Ocean Beach Bakery.

"I would like to see all of the merchants in Ocean Beach keep their stores open on Saturday evening until 9 p.m. in order to afford a complete shopping area for persons who are unable to complete their shopping during regular business hours. It is not my opinion that such an arrangement would show immediate results but I feel that it would build up in time and be well worth our while. This would only be possible if all the merchants participated so that it would be known that Ocean Beach with its complete shopping area would be open for business on one evening a week."—Capt. W. D. Baker, Simle Shop.

"I don't believe it would be worth while to stay open any evening during the week as I don't believe it is worth the sacrifice that it would be for us."—Col. Thomas Marks, Ocean Beach Stationery Store.

"I am willing to cooperate with the community in general but I would rather spend the evenings at home. I believe we are open a reasonable number of hours the way it is."—Ed Schoen, Firestone Dealers Store.

"If enough business places would stay open one night a week it would make our community a nice family shopping center on that night whereby the husband and wife could shop together."—Harry Masters, Masters Food Shop.

"We are emphatically against staying open any evenings since we feel that the trend is away from longer working hours and we don't want to buck the trend. We feel it would be definite retrogression to start having longer working hours." — David Weissmann, Fried's Clothing Store.

JACKIE LAY HONORED ON HIS THIRD BIRTHDAY AT J. C. LAY HOME JANUARY 4

To celebrate his 3rd birthday Jackie Lay of 4761 Orchard Ave. was honored at a circus party held January 4 by his parents Mr. and Mrs. Jackson C. Lay. The center decoration at the party was an immense red and yellow crepe paper circus tent top suspended over the dining room table. Placed under this was the birthday cake surrounded by animals each bearing a guest's name. The same color was carried in balloons hanging from the living room chandelier which were later cut loose and dropped for the pleased guests. Sam Leach, friend of the Lay family, showed several sound reels of cartoons including antics of bears which, according to report, pleased the young guests particularly.

The guests were Judy Luxemburg, Daryl Clark, Sharon Brooks, Kenny and Bill Ledbetter, Ginger McHone, Sue Curley, Sally Strand, Diana and Linda Martin, Sharon Minski, Beverly Wilson, Arthur Phillips, Gail Rodgers and Bill Mace. Bill is a cousin of Jackie. Also present to join in the fun were the following grown-ups: Mmes. W. Luxenburg, B. Clark, C. Brooks, G. W. Ledbetter, C. Strand, D. Martin and A. Wilson. Assisting Mrs. Lay were Mrs. Stella Lay of East San Diego and Mrs. Thomas A. Walsh of 4771 Voltaire St., Mrs. Robert Krudwig and Miss Jane Tate. Mrs. Stella Lay is Jackie's grandmother, Mrs. Krudwig is his aunt and Miss Tate his cousin.

L. J. Shephard, from Plainville, Kan., has arrived in Ocean Beach to spend an extended visit with his son-in-law and daughter, Mr. and Mrs. C. F. Near of Brighton Ave. He is more than pleased with our wonderful climate.

IMPROVEMENTS AND NEW PAINTINGS NOTED AT ARTS AND CRAFTS SCHOOL HERE

Announcement was made this week of improvements to the studio of the San Diego School of Arts and Crafts by Director Orren Louder. By moving one partition back and another one forward there is now a completely separate life class room and a studio-portrait room. The change allows for a better lighting in the studio as well as a more convenient office and entrance arrangement.

The walls of the office and studio bear witness of the work accomplished during the last few weeks by the students and the staff. New paintings include two leering masks hung on each side of the studio entrance, the work of Carolyn Linskoog; a powerful marine painting of the waves dashing over the rocks below the Del Monte Ave. fishing pier by Hamilton Stalnaker, a still life by Olivia Plumb, a portrait of Mrs. Paul Oxley by Ellis Jacobson, an oil of the Mission museum painted over at the Presidio park by May Lasher, who came here from White Plains, N.Y. Eleanor Wilkevich, who is on the teaching staff, has six water colors of a variety of subjects on the walls of the office and the studio.

John A. Johnston, 76, of 2263 Soto St., was injured Monday evening when he was struck by a car driven by Mrs. Martha Hanger of 4733 Long Branch Ave. The accident occurred on the corner of Voltaire and Cable Streets. Mr. Johnston was taken to his home where he is recovering, although he is still confined to his bed.

STATE COLLEGE NEWS

By CLAIRE HOLLOBAUGH

After such a grand holiday, is it any wonder that we rather regret going back to school, particularly when we know finals will soon be upon us. The saying goes, "You can't have too much of a good thing." I disagree.

The Phi Lambda Xi New Year's formal turned out to be a gala affair with each girl attending the recipient of a beautiful two compartment compact bearing the fraternity's Greek letters. Aztecs present from Ocean Beach were Dorothy Shepherd, Jane Price, Ann Carmody, Mildred Freakly, Joanne Sikes, Jack Blackwell, Jack Hamlin, Bill Madigan, Ed Klosterman, Richard Albrecht and Alan Daun.

Fred Kraft Jr. of 4849 West Point Loma Ave. was the host of a group of collegians who spent a lively day in Los Angeles last Thursday. Included were Charlene Rocco, Dorothy Bell, Sherman Boles and Bob De Guevara.

Bob Brazell of 1054 Devonshire Dr. was a member of the searching party looking for the Western Airliner which crashed on Cuyapaupe Peak, Christmas Eve. The party was gone from Christmas Day until the Saturday morning following. Bob reached the plane just 20 minutes after the first searchers had come upon it.

Vi Daly of 4222 Whittier St. will be escorted to the Sigma Delta Epsilon fraternity meeting by one of the pledges of that fraternity when they hold a joint meeting with the Delta Chi Phi sorority in E.P.C.A. hall.

Irene Kennedy of 4661 Larkspur was a member of a hiking party on Mt. Helix last Sunday.

Speaking of hunting trips, Jack Davis of 5035 Brighton Ave. and Alan King of 4643 Santa Monica along with Fred Leon made one to Lancaster during the vacation.

Walt Marshall of 4611 Saratoga spent three days skiing in Snow Valley last week with two fraternity brothers and a former Ocean Beach resident, Jeff Hall.

Teresa Murphy of 3749 Narragansett was seen at the Harbor Bowl game last New Year's Day.

Two more engagements recorded over the holidays were, Beverly Templemon of 4936 Niagara to Bill Plant of 4836 West Point Loma Blvd., Christmas Eve, and Ruth Englehardt of 1945 Froude to Edgar "Sunny" Woods of 4330 Temecula Dec. 29.

Martha Wisdom of 4843 Voltaire spent the week-end in the Laguna Mts. Martha was a guest of Pilani Seteira, a girl friend in Los Angeles, last week-end.

Mildred Van Gessel of 4963 Long Branch Ave. was in the cast New Year's Eve of the production, "Youth Takes a Fling," playing at the Orpheum Theater.

Seen at Joan Hobbs "get-together" party last week were Harold Hulmerud of 4609 Larkspur, Dale Cooksy of 4860 Santa Cruz Ave., Al Clough of 4611 Santa Monica and Paul Lamoreaux.

Wade and Mrs. Peebles of 4749 Brighton were guests at the Eta Omega Delta fraternity's snow party staged in the Laguna Mts. last week-end.

Mary Ellen Curry of 4439 Muir Ave. with her family spent last Thursday in Los Angeles visiting friends.

Irene Kimball of 4429 Muir was seen at Camp Kidd New Year's Eve.

When State won a last minute basketball victory over Pepperdine Friday 39 to 38 there was a rather large representation from Ocean Beach: Dorothy Shepherd, Jack Blackwell, Bill and Jack Hamlin, Mat Hegerle, Pat Murphy, John Bradshaw, Alan and Pat Daun, Bob Senica and Joe Tedy.

FRANCES ELLIOTT WEDS DARRELL JEWETT OF U. S. NAVY AT YUMA, ARIZONA

Frances Elliott daughter of Xexa Elliott of 4711 Lotus Ave. and Darrell Jewett, son of Mr. and Mrs. O. R. Jewett of Osage, Iowa, exchanged marriage vows in Yuma, Ariz. on Thursday, Dec. 12 at 2:25 a. m., they announced here this week.

The bride, a graduate of Point Loma high school, was dressed in a tomato colored suit. The groom who has beeen in the U. S. Navy for five years, went to school in Iowa.

The couple have taken up their residence at the Silver Spray hotel in Ocean Beach.

New Units Planned

Mr. Riner, who is the owner of several hotels downtown, announces that his modernization plans for the Silver Spray hotel is for the purpose of making it a modern transient apartment hotel. "I intend to make it one of the finest in this entire resort area," he said.

He expects to start in March building the beach, the retaining walls and the concrete sidewalk, which when completed he will turn over to the city for public use.

Main item of his improvement plans call for the construction of 12 new apartment units above the present hotel, and facing Narragansett Ave. He also plans to put in apartments on the first floor in the rooms now occupied by the San Diego School of Arts and Crafts. These new apartments will be added to the 29 rental units he already has in use in the main building.

The grounds around the building and the new units also are to be landscaped, according to the plans announced by Riner Tuesday.

POINT LOMA TEEN TOWN DOINGS

(By Nancy Fieger)

After a two-week vacation, yours truly is back with news, some old and some new.

The big open house that the Qwiggs, La Chere's and the J. O.'s gave on New Year's eve was a big success! In round numbers there were about 300 people present at the Point Loma Assembly hall. My little spies report there was a big fire in the fireplace and all the lights went out at midnight, as is the New Year's eve custom.

Credit should be given to the boys who cleaned up the hall the next day. Bob Evans and John Traxler got out of bed at 8 on the first day of the new year to clean up the mess left there the night before.

The Qwiggs are planning to go up to the mountains this Sunday and see if they can find any snow. With the weather we've been having . . . they won't have to go to the mountains.

Annual Silver Onyx Given

The 11th of February the Qwiggs will hold their second Silver Onyx dance. This annual event will be held at the Thursday clubhouse and will be a semi-formal. Bob Evans, member of the Qwiigs, said the floor show will feature Don Walker's and Manuel Silva's singing. The Qwiigs also will have Kenny O'Neil's band for the music.

There are 14 active members in the Qwiigs at present and three inactive members. Active are: Frank Barner, Don Blackman, Bill Cisco, Danny Evans, Bob Evans (no relation to Danny), Fred Farrell, Chuck Farrell, Harry Shannon, Manuel Silva, John Traxler, Don Walker, Bud Wilson and Jimmy Reynolds. Inactive are: Earl Drucker, Bill Cleator and Hance Cleland.

Spring Dance Planned

The J. O. members are planning a semi-formal dance to be held this spring. No definite arrangements made yet. Richie Stangle, Dave Finster, Harry Bixie, Ronnie Young, Jim Winter, Dave and Gordon Thompson, Bob Pastore, Bob Hobbson, Cliff and Bob Hewitt, Roy Creelman and John Percival are the 13 members in the J. C. club.

The Kampus Katz are really going to have a big week-end this week. Tonight the whole club and their dates are going roller skating. Tomorrow the club and their dates go to the Pacific Square to see Carmen Carravolo, and Sunday to the mountains on a picnic with their dates.

At Long Last

The great day is coming. The Kampus Katz are going to get their pins they have waited so long for. One week from this Friday the members will be wearing their pins.

Personals

Shirley Graves and Ray Keough were seen at the Mission Beach ballroom on New Year's eve, dancing to mellow music of Skinny Ennis and his band.

Helen Ryan was disappointed this Christmas because Santa Claus didn't bring Earl Myers to her for a Christmas present.

Bob Fernandes left the Sunday before Christmas and then found he could have had a six-day extension. Too bad Marilyn. In case you don't know Bob is in the Navy. He and Marilyn Taliaferro are going steady.

Margie Arney and Ray Schoonover will have gone steady one year the 13th of this month.

Peggy Elliot was thrilled to pieces when James Allen came back to school.

Midshipman Earl C. Bowersox was home on a medical leave this Christmas vacation. He arrived home Dec. 8. Mrs. E. Harris, 4926 Saratoga, gave a spaghetti dinner for him on his birthday, December 16. His guests were Page Carroll, Ray Strauss and Vic Van Saanen. After spending a wonderful vacation with his mother, Mrs. M. Bowersox, 4946 Saratoga, Earl returned to the California Maritime Academy of San Francisco Dec. 22.

The New Year's eve dance the Prims gave was a wonderful success. Of the many who attended there were: Mary Blake-Charlie Froide, Dottie Simcox-Lloyd Fowler, Jackie Blackman and Roy Rose, Ivalou Manning-Glenn Vanderlinde, Shirley Beckman, Geo. Peterson, Helen Ryan and Johnny Reeves, Leoa Padgitt-Lloyd Quick, Bub Newman-Doris Beck and Jerry Hanson and some girl from San Diego.

The Prims are thinking seriously about taking in new members some time this spring.

Editor's note: The clubs mentioned in the above column are in no way connected with Point Loma high school and the school assumes no responsibility for the action of these clubs.

Postmaster Rankin announces that in about a week extension of mail delivery service will be started on Brighton Ave. from Ebers St. to Guizot St. across to Muir Ave. and back to Ebers St., taking in the section recently paved and sidewalked. All houses must be numbered and mail boxes erected before delivery can be made.

LIBRARY REPORT GIVEN

Rejoice with the librarian over the progress of the past year. Few people realize the importance of the public library and especially the branches which serve the outlaying communities. The O. B. Library circulated in 1926, 20,945 children's books and 42,379 adult books, which makes the total number of books issued 63,324. You can feel that the people of O. B. are enjoying their library privilege and are anxiously waiting the new library building which we hope to have in 1928.

COAST FOOTBALL SLIPPING?

Some West Coast football fans may not like this observation, but in view of the near-record plastering which Illinois handed UCLA, together with the drubbing of 41-19 administered by Georgia Tech to St. Mary's, the easy victory of Notre Dame over Southern California late in the season, the thumping of USC by Ohio State and of California by Wisconsin at the start of the campaign, we wonder if West Coast football isn't sinking close to a sub-zero standard as compared to the rest of the Nation as a whole.

Of course, St. Mary's was beaten several times by Coast teams and California was at the bottom of the heap in competition out here, but Southern California was one of our better squads and UCLA was definitely the best.

The Pacific Coast caliber of football, however, isn't likely to get any worse and it should get better. Anyway, next fall a new season will start and we can always hope for the best—or at least, for something not "so worse" as what we've just been through.

HERO FOR A DAY

The Army thought it had a peacetime hero in its ranks when the imaginative 17-year-old private Jimmy Hill concocted a cops-and-robbers story to account for a window accidentally broken by the barrel of his rifle while on sentry duty.

The commanding officer at Hamilton Field showed good sense, when the truth became known, in letting the youngster off with nothing more than K. P. (kitchen punishment). While pealing potatoes Jimmy can contemplate on the wisdom of not trying to invent exciting excuses to account for miscues.

But the affair has a more serious side. Jimmy, and thousands of other kids like him, are being sent overseas to make up at least part of our armies of occupation. There is nothing basically wrong with these youngsters. Most of them are sincere and well meaning. But, as the broken-window incident shows, they lack the balance and judgment which are especially important in the execution of their duties and in their general conduct while on foreign soil.

The behavior of our troops in Japan and Germany will have a vital bearing on our efforts to create a genuine respect for democratic government in those countries. The manpower shortage does not make it easy for the Army to send only more mature soldiers overseas. Nevertheless, this situation should be reviewed looking toward a correction in the present setup.

The point is, we shouldn't send boys out to do men's work—especially such highly important work.

THE YEAR AHEAD

Now that the excitement of the coming of the New Year has subsided and the wishes for prosperity and happiness in 1947 have been exchanged it would be well for us all to realize that what the next 12 months bring forth will largely depend on what we put into them.

We are inclined to attribute much of what transpires in our personal lives and in the life of our Nation to luck or to forces beyond our control. But, in the final analysis, we are more the masters of our fate than we sometimes care to admit.

In 1947 we must get "down to earth" and tackle our problems. We can't afford to sit aroung and expect someone else to solve them for us. Nor can we expect the congressmen in Washington to perform magic tricks in economics for our benefit.

A little common sense and a lot of hard work will do more to make 1947 the kind of a year we want it to be than all the wishing or wailing we can do about it. Why not try it?

"Jack, dear," said the bride, "Lets try to make the other people think we've been married a long time."

"All right, honey. But do you think you can carry both suit-cases?"

—●—

"Ah wins."
"What yo got?"
"Three aces."
"No yo don't. Ah win."
"Whut yo got?"
"Two deuces and a razor."
"Yo shore does. How come you so lucky?"

—●—

Father: "Sonny, I'm going to tell you a story."

Four year old:"Okay, but keep it clean. The old lady may be listening.

—●—

Two Hollywood children talking.

"I have two brothers and one sister," boasted one. "How many do you have?"

"None," answered the other, "but I have two papas by my first mama and three mamas by my last papa."

—●—

Junior seemed inclined to be frivolous and irresponsible as he came into his teens. His father decided to have a serious talk with him.

"Junior," he began, "you're a big boy now and it's high time that you took things more seriously. Supposing I were to die suddenly,—where would you be?"

"I'd be right here," said Junior. "The big question is, where would you be?"

—●—

They laughed when I picked up the violin. They didn't know I was from the installment company.

—●—

Mrs. Lottie Prim was recently granted a divorce when she testified that, since her marriage, her husband had spoken to her but three times. She was awarded the custody of their three children.

—●—

"I couldn't serve as a juror, Judge. One look at that fellow convinces me he's guilty."

"Sh-h! That's the district attorney!"

—●—

The dean of a college was investigating a charge made by some of the girls that the men who lived in the fraternity house next door failed to lower their shades. The dean looked out the window and said:

"Why, I can't see into any of the fraternity house windows."

"Oh, yes, you can!" chorused the girls. "All you have to do is get up on a chair."

—●—

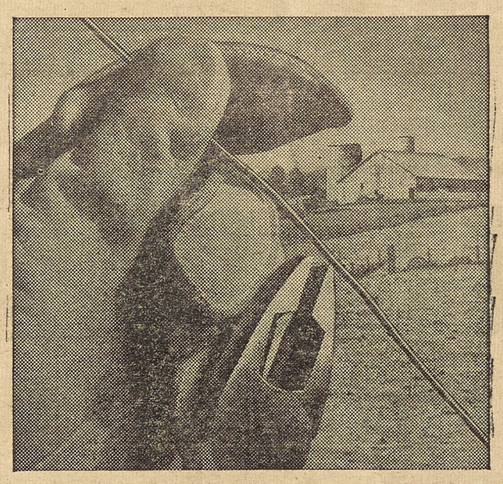

"Are you the judge of reprobates?" the lady inquired.

"I am the judge of probate," was the answer.

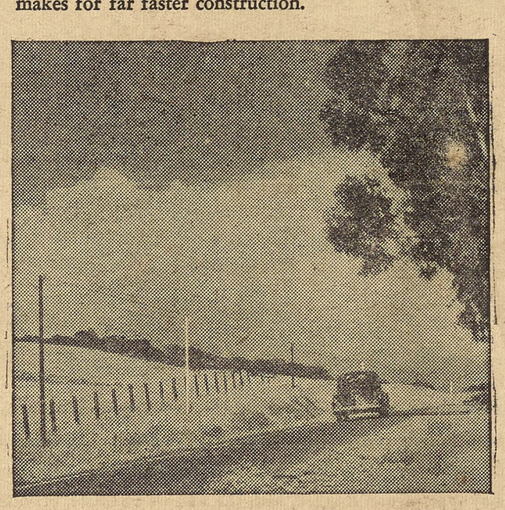

"Well, that's what I want, I guess. You see, my husband died untested and left several little infidels, and I want to be their executioner!"

Mr. and Mrs. James A. Martin of 2136 Froude St., accompanied by Mr. and Mrs. Gene Eaton of San Francisco were overnight guests in Long Beach, Calif., at the home of Mr. and Mrs. W. J. Cole, for the New Year holiday. All attended the Tournament of Roses at Pasadena. The Eatons and son Ricky are visiting Mr. and Mrs. Harold Cleveland of Coronado, parents of Mrs. Eaton, for three weeks.

New steel telephone wires need fewer poles

Speeding telephone expansion in dozens of rural areas throughout the West, this new steel wire—developed by Bell Telephone Laboratories—is so strong the number of poles needed can be cut almost in half. This makes for far faster construction.

With other type wires, poles were generally placed less than 250 feet apart. Now, with the new steel wire, the distance can be extended to 400 feet or more. This is only one of many improvements now on the way. Rural users can expect fewer parties on their lines; fewer rings for other parties and the replacement of crank type telephones with modern instruments.

It all adds up to better service for the people who supply food for you and the world. And it's still another example of how, in our huge expansion program, we are working to provide a better, more far-reaching telephone service than ever before . . . so that the telephone steadily becomes more valuable to every user.

An ever-improving telephone service *at the least cost consistent with good wages and working conditions for our employees and a reasonable return to the thousands of people who have invested in the business.*

Richard Burdette, Veteran Builder of Ocean Beach, Dies

Funeral services will be conducted at 3:30 p. m. Saturday in the chapel of the Bonham Brothers mortuary for Richard Clyde Burdette, 79, formerly of 4949 Santa Cruz Ave. who died early Tuesday, Jan. 7 at a San Diego hospital. The Rev. S. Dean McBride will officiate at the service and entombment will be in the Cypress View Mauseleum.

Mr. Burdette, for 36 years a carpenter and builder in Ocean Beach, died after an illness of two weeks. He was born in Pruntytown, W. Va. in 1868 and lived for a time in Cincinnati, Ohio where he built the first solid concrete building, which still stands there, before moving to Ocean Beach in 1910. After building many homes and business buildings here he retired in 1936. He and Mrs. Burdette moved to the Santa Cruz Ave. address last April. They had been married for 53 years when death came to Mr. Burdette. He was a cousin to the late Robert J. Burdette, author and humorist.

Besides his wife, Mrs. Lena Burdette, are two daughters, Mrs. Harriet M. Ekdahl and Mrs. Hazel M. Byers; a son Charles F. Burdette, a brother Luke Burdette of Weston, W. Va. and two grandchildren, Richard B. Maddox and Virginia Lopez both of San Diego. Mr. Burdette came from a large family being the third from the youngest of 11 children.

Mr. and Mrs. Lawrence Hanson of 4647 Larkspur Ave. had a surprise visit from friends of theirs on Thursday, Jan. 2, which also happened to be Mr. Hanson's birthday, giving them double cause for celebration. Their guests were Mr .and Mrs. William Cyrep Jr. and William Cyrep Sr. The Junior Cyreps are living in Compton, Calif. and William Cyrep Sr. lives in Syracuse, N.Y.

the veterans today. First the housing situation is a disgrace to a nation who in time of war could command resources to do mass building.

"At the national convention a housing committee was appointed and after a 45-day survey of all parts of the country they met in Washington D. C. and set forth Legion recommendations to congress. Eight percent of these recommendations have been adopted into the program of the federal housing commission. It is found that more multiple unit houses to rent are needed during these times of inflated prices rather than individual homes to purchase.

"Second is need for employment for veterans throughout the year and it is necessary to contact employers to see that the veterans have a fair chance. Legislation has been prepared to lift ceilings for War II men on apprentice training. The Legion is against any program where veterans must pay a fee for the right to work.

"Education is hampered by the lack of housing near the schools.

"The Legion believes that a contest should be started to see what Americanism means. We should have a program to tell the American youth, and adults too, why Americanism is better than the other isms.

"The American Legion favors the continuation of selective service to secure an adequate defense and unified command of the armed forces.

"The Legion wrote, and had enacted into law, the G. I. Bill of Rights for World War II men. There are however some divisions of the bill which are not satisfactory. We must have legislation to rectify these mistakes.

"The V. A. (Veterans Administration) and the Legion are working harmoniously to aid the veteran and his family. Purpose of the Legion is to see that the families are not left in want through the loss to the home of a deceased comrade."

Dick Chamberlain was presented with 600 paid up memberships; 100 of them from Clyde A. Wright Post. There are now 225,000 more Legion members in the United States than last year and 1947 expects to reach the five million mark.

The local Auxiliary Unit, at their meeting Jan. 2 in the Women's club house, reported the Christmas toys were distributed to 25 needy families by President Mary Fold. Three new members applications were accepted, Teressa McConnell, Lois Larson and Mary Lovejoy.

At 6:30, Thursday, January 17, Clyde A. Wright Post and Auxiliary will have a public dinner at the clubhouse on Muir and Bacon streets, donations for the benefit of a new Legion building.

Going to build?

YES, apply for your gas and electric service as far in advance as possible, for there's certain to be a wait. Approximately 5,000 applications for new service are in our files right now.

During the war years we were prohibited by Federal regulations from serving any new customers, other than those connected directly with the war effort, where construction . . . poles, lines, transformers, etc. . . were required. No new materials were available, and we had to use our stock of construction material to install priority orders.

At the war's end, we found ourselves with materials gone . . . with thousands of applications for new service on hand . . . and unexpectedly large numbers of new applications coming in every day. We have filled 6750 of these orders since V-J Day . . . but shortages of material and skilled manpower have kept us from catching up with the demand.

Your application will be handled in turn . . . all other things being equal. That's why we say . . . **make that application** as soon as you start building . . . and you'll have service just that much quicker.

NEWS IN BRIEF

Mr. and Mrs. Charles L. Blake of 4381 Montalvo St. are the parents of a baby girl born December 18. The baby weighed 6 pounds 13 ounces at birth and they have named her Kathleen Ann.

Mr. and Mrs. Forest G. Mardon of 4765 Muir Ave., are the parents of a baby son who was born on Dec. 21, weighing 8 pounds 11 ounces at birth. Mr. and Mrs. Mardon have named their son Robert Glen.

William Phelps, who holds the distinction of having been the first baby to be born in Los Angeles in 1936 since he was born at 12 minutes past 12 o'clock on New Year's morning, celebrated his 11th birthday this year by giving a luncheon party for five of his friends at his home at 4519 Brighton Ave. He is a son of Mr. and Mrs. Newell Phelps. Guests at the luncheon included Norman and Andrew Travers, Albert Paige, Robert Sommermeyer and John Phelps. The last named is his brother. After lunch the boys played games and then went on a hike.

Mr. and Mrs. Paul Campbell of 4976 Long Branch Ave. entertained six relatives at their home during the two weeks Christmas and New Years holiday. The guests were Mr. and Mrs. Horace Hammett and three children, Charles, O'Dare and Gayle; also Ray Hammett, all of Ferriday, La. Mrs. Hammett is a sister of Mrs. Campbell and Ray Hammett is the son of her twin sister. The Campbells also took their guests on several drives around southern California. They visited Palomar observatory, all the principal Missions and Knott's Berry Farm near Fullerton. In San Diego, they got a thrill out of visiting the new KSDJ radio station in the Journal building. Both Mr. Hammett and Mrs. Campbell were permitted to broadcast and each received a prize for so doing. The visitors left Thursday of last week on the motor drive back to Louisiana.

Newly Organized Local Drama Group To Present Comedy

A newly organized drama group of the Ocean Beach Junior Woman's club, under the leadership of Mary Oberg, is now working on a one-act comedy to be presented Monday, January 20, 1947, at 8 p.m. at the Woman's clubhouse.

The play entitled "Sugar and Spice" written by Florence Ryerson and Colin Clements, is being used by special arrangement with Samuel French.

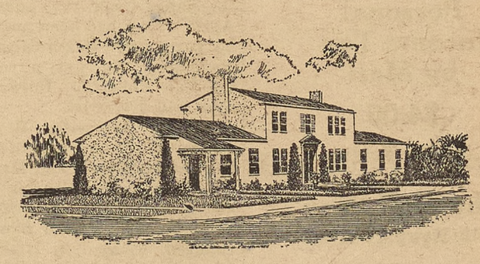

Those assisting Mrs. Oberg in preparing this play are Evelyn Stradley in charge of script and Emmy Lou Blake who will do the hair styling and makeup. The cast will include the following:

Robert Brazell as "Chump Edwards," an unruly lad of today; Patricia De Paw, as "Jane Jones," a spoiled adolescent; Evelyn Stradley, as "Susan Harling," a very affected young girl who has had a few months education at an exclusive school in France; Marion Gentles as "Mrs. Jones," the mother, who is a very competent and humorous woman; Phil Sjoberg as "Mr. Jones," the father, who is a large amiable man in his late thirties.

FOREST G. WARREN TO SPEAK AT NEXT SUNDAY EVENING SERVICE HERE

Guest speaker for next Sunday evening service at the Point Loma Methodist church will be Forest G. Warren, a writer for a San Diego daily paper, reports Rev. Paul C. Biesemeyer, the pastor. A cordial welcome is extended to all in the community to attend and there will be a nursery for the little tots, he says. The service starts at 7:30. He also announces that his sermon topic for the Sunday forenoon service at 10:45 will be, "Workers Together." The choir under the direction of Ruth Kern will sing. A nursery where parents may leave small children will be available.

At 6:30 to 10 p.m. the Youth Fellowship group will meet for devotions and discussion, to be followed by a social period with games and refreshments.
